Our adventure has begun as we travel north along the scenic Captain Cook Highway and through the **World Heritage listed Daintree Rainforest and Cape Tribulation** where the rainforest meets the reef. We make our way along the jungle shrouded **Bloomfield Track** (road conditions permitted) and stop at the **iconic Lion's Den Hotel**. ### Breakfast, Lunch & Dinner

Today we depart Cooktown and head west into the outback to explore Lakefield National Park (road conditions permitted) on our journey to Musgrave. Lakefield is the second largest National Park in Queensland and is a haven for many birds and animals native to this area. Its lagoons, billabongs, and wide river lakes are also home to both fresh and saltwater crocodiles. Late afternoon has us arriving at the Musgrave Roadhouse, **'Old Musgrave Overland Telegraph Station' built in 1887**. Musgrave is about half way between Cairns and "The Tip" so has been the resting place for many travellers. Wagon teamsters and Packhorse Mailmen would spell their weary teams here and in later years many aircraft have sheltered here from bad weather. Once settled into our accommodation take time to soak in and read the story of the station and Shepard family before dinner.

**Overnight Musgrave: Musgrave Roadhouse**

## Day 4. Musgrave - Coen - Archer River - Weipa

**Breakfast, Lunch & Dinner**

We have an unforgettable day ahead of us today. After breakfast we stand at the very top of mainland Australia to enjoy the views and take some photos. Then visit **Somerset** (road conditions permitted), once the home of the legendary Jardine family. One of the greatest historical places in Australia, it was the earliest permanent white settlement on the Cape York peninsula and first administrative centre for the Cape York and Torres Strait area, in one of the most isolated and violent places in Australia. Explore and learn about this interesting place before heading to the palm fringed **Anchorage Beach** which overlooks the **Albany Passage (Adolphus Channel)**. Once here we will be taken on an **informative guided tour** of the island and its picturesque Harbour, once home to the romantic pearl lugger fleet. On tour visit **Green Hill Fort Lookout** where the views are just stunning and the now silent 6" breach loading guns jut out menacingly over the islands' main approaches and from here we look south to the mainland, west to the pearl farm and north to the main shipping lane. Also disembark at the **Japanese Pearl Divers Memorial** located at T.I. Cemetery on the northern side of the island to learn of the extraordinary and far reaching impact the pearling industry had in Torres Strait. Another important part of this stop is the monument commemorating Bernard Namok Senior who designed the Torres Strait Island Flag. The monument was unveiled on the flag's 22nd anniversary.
