They arrived in cold, wet blustery conditions, few had ever been to sea before, they were seasick, homesick and heartsick. The journey of 6,000km / 3,700 miles took five weeks. They arrived to a recently abandoned penal settlement set aside for the 'worst of the worst', it was full of ghosts, terrible stories and horrific memories. It was a large and frightening testimony of man's inhumanity to man. The 1856 untold story will follow their journey within the World Heritage Listed Kingston area. Baunti Escapes will bring the past to life with an audio aboard our touring bus, recounting stories of the families, where they lived and how they adapted to their new life on Norfolk Island.
