Day 2. Mon 15 May: Coastal Tour

Breakfast, M/Tea & Dinner

It is all about exploring first as our coach captain gives us some information on the town before we call in to visit **Emu Park**, a small coastal town and home to some amazing sights including **Bluff Rock, Double Head and the Causeway Lake**. We take time to view the **Singing Ship**, a majestic monument that sculpturally commemorates Captain James Cook and his nautical exploration of the region's coastal line. Not to be missed is a wander down to the **Centenary of ANZAC** Commemorative Precinct. The impressive memorial boardwalk was designed to honour 100 years of ANZAC. Next we travel to the **Koorana Crocodile Farm**, a commercially operated crocodile farm and the first one in Queensland. Established in 1981 the Lever family have worked hard to grow the farm to a commercial level now holding over 3,000 crocs. Enjoy a cuppa and scones, jam and cream before an educational and incredibly informative tour that will highlight their story, the products they produce and give us a valuable insight into their industry. Say goodbye to John and Adam and return to town to soak up the ambience in one of the many cafés as we enjoy lunch (at own cost). We are in for a real treat this afternoon when we visit the **High Valley Dawn Farm** on a magnificent 140 acre seaside allotment. There is an established two acre market garden which is currently producing wonderful seasonal produce for Beaches restaurant and Farm Box customers. This is the food we will be enjoying at the resort restaurant! It is an inspiring story of a journey when a passion for wellness and sustainable development collided with a desire to serve fresh, local, organically grown produce. The vision of the owners is to complete a two acre food forest which is in its infancy but promises to one day deliver hundreds of varieties of fruits, vegetables, roots, leaves, herbs and spices from all around the world with a special emphasis on tropical Australian natives and bush tucker. The **Paddock to Plate dinner** also includes a **Cooking Demonstration** at Beaches Restaurant, what a way to end the day! The whole experience is now complete as we savour our three course dinner and truly appreciate the quality of the High Valley Dawn Permaculture Farm.
